3. Class format

Soka University makes a decision how we provide class in accordance with a request from the Japanese Government. We will make an announcement about the class format in Fall semester 2022 about a month before the semester starts. Classes could be conducted online for students who cannot physically come to the campus. We might offer a hybrid class which some students attend a class in person and others attend online.

In the previous semester, all Japanese Language and Culture courses were fully offered online so that several exchange students could complete the course online. If your students are interested in taking an undergraduate level course, they are welcome as long as they meet a language proficiency level *see the Fact Sheet for detail.

4. Entry to Japan

Note that according to the Ministry of Foreign Affairs of Japan (MOFA), new entry of international students, except for Japanese passport holders, is still restricted as of today (February 8, 2022).
